

2023-2024 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2022- December 14, 2024 biennium. Eight of these hours may be in an approved distance format. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. Two credits of AED course work may be counted toward the continuing education requirement every biennium (CHI240000). As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium may not be applied to any other renewal period. A course may occur under the same approval code anytime on or after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.

2023-2024 Chiropractic Continuing Education Courses

Forty hours of Board approved continuing education is required of Chiropractors practicing in the State of Wisconsin for the December 15, 2022- December 14, 2024 biennium. Eight of these hours may be in an approved distance format. Certification in cardiopulmonary resuscitation (CPR) is also required for renewal. Two credits of AED course work may be counted toward the continuing education requirement every biennium (CHI240000). As indicated in Chiro 5.01(2)(b), approved courses taken in the current biennium to satisfy the requirements of a previous biennium may not be applied to any other renewal period. A course may occur under the same approval code anytime on or after the initial approval date.

This is a list of approved courses ONLY, unless specifically noted.
